Letter No. 6689 dated the 23rd December 1907 from the Commissioner in Mysore forwarding a copy of letter No. 380 dated the 17th December 1907 and its enclosures in original from the Deputy Commissioner, Shimoga District, for the acquisition of certain land required for the purpose of extending and repairing the Seppinakere road in the town of Shikaripur and stating that as the land proposed to be acquired is within Municipal limits and as the cost of -- acquisition is also to be met from Municipal funds the -- matter was one which the Deputy Commissioner could have addressed the Government direct, and that if the Government see no objection an order may be issued to Deputy Commissioners that such references may be submitted direct to Government in the Local Fund or Municipal Department.

Order thereon No:- 9648-88 ml 341-07-1

Dated Bangalore, the 30 April 1908

Land acquisition cases should be dealt with in the department which will have to pay for the acquisition in each case. That department will be best able to judge of

of the necessity and desirability of acquisition and or its own ability to afford the cost. The declaration under the L Land Acquisition Regulation will issue from the Branch of the Secretariat to which the department concerned is assign -ed and be signed by the Secretary in that department.

2. Where the land to be acquired is gomal or other special assignment to village communities, the Revenue Commissioner should be consulted before declaration.

3. Acquisition of assessed land for public purposes does not necessarily imply the writing off of the assessment. This latter concession should be matter for separate treatment, the Revenue Commissioner being consulted, and the question of sanctioning the writing off being dealt with in and the final orders issuing from the Revenue Branch of the Secretariat.
